Claims 5, 6, 29, 31, 32, 33, 39, 40, 41 and 43-50 are pending and in condition for allowance. No rejections are currently in force against any of the claims of this Application.

The Examiner has identified some alleged deficiencies in some of the pending claims, and made suggestions for changes to those claims. Applicants understanding is that, based on the indicated allowability of the claims, all of the claims as pending comply with all of the relevant statutory requirements of 35 U.S.C. 101 et seq.

**B. AMENDMENT TO THE CLAIMS**

Although Applicants do not agree that the claims suffer from any “deficiencies” or irregularities, Applicants have elected to amend some of the pending claims. No new matter has been added by this Amendment. See, e.g., Specification, FIG. 1.

Applicants submit that the claims as amended comply with the relevant statutes and regulations, and respectfully request a Notice of Allowance in the present Application.
